

GUIDE

Prepare For Your Phone Interview and Medical Exam.

WHAT YOU NEED TO HAVE, KNOW, AND DO.

All information gathered during the interview and exam will be shared only with those who need it in order to determine your eligibility for life insurance and will be included in the policy.

Prepare for Your Phone Interview and Medical Exam.

This guide will help you prepare for your upcoming phone interview and/or medical exam.

Once your interview and medical exam are completed, your application will go through underwriting. Underwriting is an evaluation of your current health, medical history, family medical history, and lifestyle. Our underwriters determine your eligibility for life insurance to help ensure you get our best possible rate.

Step One

YOUR TELEPHONE INTERVIEW:

Within 48 hours of completing the initial forms, we will contact you directly for your phone interview. The call will take about 30 minutes. If you are not available when we call, we will leave a message for you to return the call.

To help you prepare for this telephone interview, record your policy number below, if available, and have it ready when calling. Many of the questions you can expect to be asked during the call are outlined on the following pages of this guide. Before the call, be sure to familiarize yourself with the questions and record the needed information where space is provided. The more information you have ready, the more quickly the call can be completed. The information you provide is held in strict confidence, so please answer each question completely.

If available, record your policy number below.

Questions You May Be Asked When Applying for Life Insurance

You will be asked questions about both your insurance and family histories.

Insurance History

- Will this insurance replace any existing insurance or annuity?
- What are the existing insurance policy number(s)?
- Are you applying for or reinstating life insurance with any other company?
- Have you had life or health insurance declined, postponed, rated, or issued with an increased premium?
- Will you be making payments from out-of-pocket funds? (We understand that you will not be using values from another existing life insurance policy or annuity contract to help pay the initial or future premiums on this new policy.)

Family History

- Have any immediate family members (mother, father, brother, sister) been diagnosed with or died from coronary artery disease, cerebrovascular disease, diabetes, or cancer before age 70?
- What is your father's current age or age at death?
- What is your mother's current age or age at death?
